

Membership fees for the new season 2007/8

The membership fee for the coming season covers the cost of midweek training, weekend league or cup match-days and club colour shorts and socks. Players are invited to buy their own HUYFC shirt complete with their name on, via the club. From May 2007, socks and shorts are also need to be purchased from the club.

From the fees the club covers the cost of all of the football equipment and facilities such as pitch hire, balls, bibs, goals, as well as the cost of registering teams and players with the Football Association and the North East Hampshire Youth League (NEHYL). No payments are made for coaching. The cost of training volunteer coaches and referees to enable us to become 'Charter Marked' (ensuring a baseline standard in working with children throughout the club) is also included within your membership fees.

Methods of payment, and timing:

To make sure that parents aren't inconvenienced and that football remains affordable, we are adopting a range of patterns of payment to make sure we can cater for everybody's needs. They are as follows:

Or standing order for regular amount – further details on request to the club treasurer.

No match day fees in any age group.

An optional 'training only' membership is available; details are available from a club officer.

Financial hardship; the club would not wish to see any child miss out on playing football at HUYFC due to genuine financial hardship. If there is a problem please let us know, in confidence, and we will do our best to find a workable solution with you. Speak to your team manager or the club treasurer.
